| 14        | 39            | 31 1/2           | 31-32                            | 32-33                          | 33-34                      | 34-38                               |
| 16        | 41            | 33 1/2           | 31-32                            | 32-33                          | 33-34                      | -                                   |
| 18        | 43            | 35 1/2           | 31-32                            | 32-33                          | 33-34                      | -                                   |
| 20        | 45            | 37 1/2           | 31-32                            | 32-33                          | 33-34                      | -                                   |
| 22        | 47            | 39 1/2           | 31-32                            | 32-33                          | 33-34                      | -                                   |
| 24        | 49            | 41 1/2           | -                                | 32-33                          | -                          | -                                   |
| 26        | 51            | 43 1/2           | -                                | 32-33                          | -                          | -                                   |

All shirts are labeled with size and body length.

Long sleeve sizing is size number and length (ex. 12R)

Note. If the body abdomen measurements are larger than the bust measurements associated with the shirt size in the chart, a larger shirt size may be needed to properly fit the body with alterations

# Female Uniform Slacks

Size Prediction Table For Women's Slacks

| Slack Size | Junior (J) Inches |          | Misses (M) Inches |          | Womens (W) Inches |          | Lengths Available   |
