

DoW and Coast Guard Civilian CAC Holders Are Authorized to Shop Military Exchanges In Store and Online.

The tax-free shopping benefit acknowledges the importance of civilians who work side by side with Warfighters to accomplish the mission of freedom and defense of the nation.

Benefits include tax-free shopping and military-exclusive offers on name-brand merchandise including alcohol and tobacco products, services and favorite restaurants. Access to military uniforms is excluded.

Shopping on the installation is convenient, and 100% of Exchange purchases go back to the military community to support Quality of Life programs that make life better for Warfighters and their families.

DoW and Coast Guard civilian CAC holders are eligible to apply for the MILITARY STAR card, which has one of the lowest APRs among store cards and no late, annual or over-limit fees regardless of credit score. New cardmembers receive 10% off their first day's purchases. Additional savings include:
