NOVEMBER 2026

Military Star's Interest-Free Military Clothing Credit Line Increases To $1,500

MILITARY STAR® has increased its interest-free military clothing line of credit from $1,000 to $1,500, giving service members additional purchasing power for uniforms and accessories.

The Military Clothing Plan helps service members manage uniform expenses with zero-interest financing and payments spread over 12 months. Eligible purchases include Defense Logistics Agency Troop Support merchandise and Exchange commercial uniform clothing and accessories, with no minimum purchase or down payment required.

The higher limit gives service members more flexibility to purchase the military clothing they need while spreading payments over time—whether they're replacing everyday essentials or preparing for their next assignment.

Cardmembers, including activated mobilized or activated Reservists and National Guard members, deploying to qualifying locations are eligible for a temporarily reduced 6% interest rate with deferred monthly payments. Cardmembers can submit an image of their orders or letter to the Exchange Credit Program to Deployment@aafes.com.

For more information, visit shopmyexchange.com/military-star.

PXs, BXs Salute Service with November Giveaways

Throughout November, the Exchange is honoring active-duty troops and Veterans during Salute to Service Month with limited-edition giveaways and exclusive savings.

PXs and BXs will offer active-duty service members, retirees and Veterans with in-store shopping benefits complimentary keepsakes throughout the month to recognize the selfless commitment they have made to protecting our nation. Giveaways include:

Nov. 7: Veteran for Life keychain.
Nov. 11 (or near): Collectible challenge coin.
Nov. 20: Service-specific collectible penny POGs.

Visit shopmyexchange.com/salute-to-service for more information on local giveaways. Veterans are encouraged to visit shopmyexchange.com/vets to learn more about their shopping benefit and check their eligibility.

The Exchange's holiday deals start with the Veterans Day sale beginning Nov. 6. Shoppers can find Veterans Day and Black Friday savings at PXs, BXs and ShopMyExchange.com—all tax-free. Weekly deals can be found here.

How To Request A Mobile Field Exchange

For more than 85 years, the Exchange has deployed mobile field Exchanges (MFEs) to remote, austere locations in support of disaster response and military training. These mobile stores provide 24/7 Quality-of-Life support to our nation's heroes wherever they serve.

Exchange associates operate the mobile tractor-trailers, which provide health, hygiene, personal care items and services. Army and Air Force units can request MFE support by contacting their local general manager or main store manager. Other flexible support options are available. Requestors can also contact the HQ Contingency Plans team directly at zzAAFESContingency@aafes.com for military training exercises, contingency operations and disaster support.

Thank you!

Serving those who serve is the ultimate responsibility and honor. Thank you for using and championing your Exchange benefit.
